

State Farm Good Neighbor Grant Information For State Farm Employees only

State Farm will donate a \$500.00 grant to a qualifying non-profit organization when an eligible associate volunteers 40 or more hours within a calendar year for the organization. Bloomington-Normal Swim Club DBA Rob Knight Swim America (RKSA) is a qualifying nonprofit 501(C)(3) organization and is eligible for the \$500.00 grant.

All State Farm active employees, agents, and retirees are eligible to participate. A retiree is an individual who retired from the Company in an active status and is eligible for retiree benefits other than retirement/Savings & Thrift payments. Spouses, family members, and staff employees of agents are not eligible. Participants are limited to one grant per calendar year. This means you get only one \$500.00 grant per year no matter how many different organizations you volunteer for or how many hours you volunteer. If you receive any monetary reward or consideration, your hours are not eligible. Submitting for the grant is optional. It is just one means of fund raising for the swim team.

Eligible Hours and types of Service include:

- Must volunteer a minimum of 40 hours for the same organization from January 1 to December 31.
- Volunteer service may include (but not limited to), committee work, swim meet set up/tear down, timing, swim team administrative work, fund raising, etc.
