

8/31/20

**COVID-19 Fall 2020 Plan - Our goal is to provide the highest level of quality and safety, while socially distancing the swimmers, parents, and teachers. We appreciate your help in this journey! Policies are subject to change based on changes in guidelines from the IDPH, and our public officials.**

- Face masks are required for all participants over the Age of 2. You can always step **outside** the building for fresh air if you do not want to wear a mask, and can maintain the 6 foot distancing requirement.
- We assume if you enter our facility you (and anyone in your family) are NOT exhibiting any COVID-19 symptoms. Please do not come to the pool more than five minutes before class.
- We now have two unisex locker room areas to allow for more social distancing.
- Our facility has additional hand sanitizing areas, and does daily routine disinfecting. We adhere to the Illinois Department of Public Health guidelines, and follow the State of Illinois guidelines for Sport Safety.
- We do not want extra siblings, parents, or grandparents in attendance. If a parent has an infant sibling, please adhere to the distancing requirement.
- If you have a covid-19 incident/report from your school, or another activity, please email us and notify us you will not attending during the quarantine. However, we cannot allow make-ups or credits for any missed classes. Thanks for understanding.
- RKSA staff will have their temperatures taken daily, and will be covid tested routinely. In order to allow an extra layer of protection, staff **will not** come to work if they feel they have been in an unsafe environment including large groups, or even display cold or allergy symptoms. Because of this, RKSA teachers may switch around more often than usual.
- We reserve the right to take the temperature of all participants and SUGGEST ALL FAMILIES TAKE THEIR SWIMMERS TEMPERATURE IN ADVANCE OF THE SWIM CLASS.
- While the locker rooms are open, showers are not operational. We ask swimmers *come, and leave in* their suits during the warm Fall weather. We can adjust the lesson time to allow for more distancing in-between class. Lessons will be 35-40 minutes depending on the number of participants in the facility.
- All customers much have a current registration/liability form on file which references covid-19. It's posted on the front page of our website as well.

*Thank you,*  
RKSA Office
