- A. **Online/Smarter Lessons (SL).** Simply done from your phone/desktop, SL gives you instant lesson confirmation. You can register on our website with your username and password. New swimmers will receive a username and password once they have passed the swim test. **(All credit cards are accepted on Smarter Lessons, but not PayPal.)** Please observe the deadlines as if you register early, you will be kicked out by the SL system.
 - B. **RKSA Office:** We will do the registration for you, and put you into Smarter Lessons. Please stop by our office with a form of payment. **(Check/Cash/Paypal only)** Check online for our office hours or send us an email swim@rkasa.comcastbiz.net
- **FYI:** Once you secure a time slot, it is yours for the school-year until you notify the office you are forfeiting your slot(s), **or you do not pay on time.** You may start at any time depending on openings, and fees will be pro-rated. If you have been out of the program for a while, you may need to be retested!
